Posts:

Slotted Jakposts®

Guarantee:

All timber used throughout is superior quality Jakcure® treated softwood guaranteed for 25 years.

Features:

- All fixings are stainless steel.
- Gravel boards are required where panels are in contact with the ground.
- Traditional picket design with a little more elegance.
- Perfect for front gardens or situations where natural light takes priority over privacy.

Gates:

Gates are Jakcure® treated softwood, right and left hand hanging (when viewed from the outside) but are made to order. They are designed to match our Mitre Panel.

Height: 0.95m & 1.15m

Width: 1m

Installation

In accordance to manufacturer's instructions.

The Mitre panel is a new addition to our range. Inspired by our traditional Palisade fence panels, the Mitre panel features 45mm x 16.5mm redwood pales with an elongated curved top for a traditional picket design with a little more elegance, making it equally at home in a rural or urban setting. It's perfect for front gardens or situations where natural light takes priority over privacy.
