

POST & RAIL MORTICED

- Constructed with three or four horizontal square section rails, morticed into the posts.
- Additional prick posts mid bay point give extra support.
- Posts with mortices have special galvanised fitting embedded in top to reduce splitting.
- All fixings are heavily galvanised.
- Mortices 38 x 100mm centred at 150mm, 530mm, 860mm and 1180mm from top of post.
- **25 Year Guarantee against rot and insect attack.**

FINISHES

- Jakcured pressure treated
