

TIMBER PLAYTIME® FENCING

Timber Playtime® fencing and gates are part of our playground fencing range, providing a safe, welcoming enclosure for play areas, and protection against vandalism, dog-fouling, and unwanted intrusion.

- Kiln-dried pressure treated timber
- Smooth planed, wide pales
- Safe fixings
- RoSPA approved
- Conforms to BS EN 1176 for play fences
- 25-year Jakcure® timber guarantee

APPLICATIONS

- ✓ Schools
- ✓ Parks
- ✓ Play areas

PANEL OPTIONS

The fence panels are made up of 95 x 35 x 900mm high pales with 75mm pale spacing, sandwiched between two rails at the top and two rails at the bottom.

GATES

Matching gates with self-closing, soft-closing functions. Galvanised steel frame powder coated green.
